WELCOME TO OUR FAIR!

Manitoulin Island is made up of small rural villages and towns; our lakes and rivers are pristine and clear. The people of Manitoulin are affectionately referred to as “Haweaters” because of the Hawberry tree that is common to Manitoulin Island.

Country fairs are a way of life for the friendly people of Manitoulin and they will make you feel instantly like you are at home.

Come and share the down home hospitality of the people of Manitoulin Island, and you will find that the place will draw you back time and time again.

PRESIDENT’S MESSAGE

As the president of the Agricultural Society, I realize the complexity of helping to steer the Providence Bay Fair to new heights. This can only be done by the close working relationships of the Society members and the many volunteers. Over the many years of their hard working participation, the Providence Bay Fair has been able to be successful. We’ve been fortunate in the past and continue to have good Secretary/Treasurers, as they are the glue that holds us together in an orderly fashion.

The people that participate in the Fair, whether it be members, exhibitors or spectators, need to be congratulated for their many years of support. If it weren’t for all of you, this fair would not be possible. Thank you!

TO OUR FRIENDS OF THE FAIR

Once again, we are pleased to be able to bring you an updated prize list. There are a few changes. We are keeping this book for 2 years. Even though these changes take place, one thing that never changes is our appreciation and heartfelt thanks to each and every one who volunteers his or her time and effort to make the fair the success that it is. This is also the same for everyone who donates prizes for the prize book and those who help advertise. THANK YOU! We will acknowledge you at the fair! To all exhibitors, we welcome your participation and hope you will continue. We also encourage others to enter. Most of all, we want you to thoroughly enjoy yourselves at the fair.

Sincerely,
The Board of Directors of the Providence Bay Agricultural Society
